# PREFACE

## ABOUT US

Ayers Supply, Inc. is a second generation company, based in Clarks Summit, PA, that has been in the natural stone business for over 30 years. Our mission is to continually improve to meet our customer and future customer needs by diversifying our products and services. We market our product line under the **Everlast Quality Natural Stone™** label. We inventory in excess of 40 acres of natural stone consisting of over 100 different items available in multiple types, colors and sizes of both domestic and imported natural stone.

Our people are the foundation of our strength and success. By complimenting the skillsets of everyone involved in the company and the assets the company provides in its entirety, we are able to provide a wholesome reflection of the core values of which our success is based upon. This is fostered and orchestrated by our leader, **Nanette Ayers**. In order to market and sell the quality products of our company, that same quality needs to be acquired, harnessed and applied through our company's lifeline: it's people. Starting from the top, Nanette's experience and knowledge allows for her to not only attract quality people and clients, but it provides an environment in which these people can grow, learn and be successful in dealing with employees, customers and prospective clients in a joined effort and partnership. Having **30 years at the helm**, her core focuses have boosted the company to be regarded as one of the premiere sources for high-quality products and a company that is known for its loyalty and relationship with its clientele nationally.
